Empowering a New Generation of Americans

Ms. Melanie Burgess Executive Director The Jim Moran Foundation 100 Jim Moran Blvd. Deerfield Beach, FL 33442

Dear Melanie,

This year, the community will receive a precious gift in celebration of what would have been Mr. Moran's 100<sup>th</sup> Birthday. On behalf of our Board of Directors and the HUF family, we are both honored and privileged to be one of the recipients of Mr. Moran's \$1million birthday gift to HUF's mission.

This letter outlines our intended use of this \$1million gift.

#### **Capacity Building & Program Development**

Within the next five years, HUF's team will use \$500,000 to build capacity (\$125,000) and for program development (\$375,000). We are currently exploring a major gift campaign to leverage your gift further. If we proceed, we will ask the Foundation to consider announcing your gift as the lead gift of the campaign.

#### The Jim Moran Foundation Opportunity Fund

\$500,000 will be used for an "Opportunity Fund" to provide HUF with reserves that will strengthen its financial resiliency, emergency funding for unexpected crisis, and bandwidth to take advantage of leveraged dollar opportunities. This Opportunity Fund is a key component of the organization's long-term mission and financial strategy.

HUF's Board of Directors will draft a formal policy by October 15, 2018 to ensure that these funds remain in an unrestricted and liquid reserve account. The Opportunity Fund will not be used as working capital to run HUF's dayto-day operation. The funds will only be used for two specific purposes: to leverage funding opportunities when a match is required or for an unexpected crisis. Should the funds be used, HUF's staff or Board leadership will first communicate with The Jim Moran Foundation (TJMF) one of HUF's longest and most supportive funding partner.

The intent of the Board of Directors is to have the Opportunity Fund accessible only with the approval of the Board of Directors and HUF's CEO. There will be no time frame associated with this portion of the gift. The funds will remain in liquid form – in either an insured savings account or a safe investment which can be liquidated within a reasonable timeframe.

Generation of Americans

The intent of HUF's staff and volunteer leadership is to continue to grow this fund over a period of time. Our long-term goal may be to secure the equivalent of three months of the agency's operating expenses to be held in reserve. The Board of Directors is committed to the preservation of the fund and will monitor it through the organization's annual budgeting process, as well as, monthly reviews of the organization's financial position.

We also would like to call this fund, The Jim Moran Foundation Opportunity Fund.

We would prefer the gift as one-time payment.

Melanie, this gift will provide transformative stability and program support to HUF and its mission. Thank you to Mrs. Moran, you and the Board Members of The Jim Moran Foundation for your support over nearly 30 years. No single organization has had a greater impact on our mission than TJMF.

Thank you for not only empowering a new generation of Americans, but also for your partnership in supporting that organization that makes that work possible.

If you ever have any questions, call (954-683-2028) or email (jbacallao@hispanicunity.org) me.

Thank you and with warmest regards and gratitude,

Haller

Josie Bacallao Hispanic Unity of Florida President/CEO

HUF Recipient of One Million Dollar Special Grant from

The Jim Moran Foundation Honoring Jim Moran's 100<sup>th</sup> Birthday

October 2, 2018 -- Jan Moran, Chairman and President of The Jim Moran Foundation, recently announced more than \$10 million in special grants to fourteen not-for-profit partners in celebration of what would have been Jim Moran's 100<sup>th</sup> birthday on August 8<sup>th</sup>. Hispanic Unity of Florida, Inc. (HUF) received a \$1 million grant in support of its mission to empower immigrants and others to become self-sufficient, productive and civically engaged.

Jim Moran, who was the founder of JM Family Enterprises, Inc., created The Jim Moran Foundation to ensure his legacy of giving would continue beyond his lifetime.

"HUF's Board of Directors and team members are deeply honored to have been selected by The Jim Moran Foundation for this once-in-a-lifetime grant. HUF's relationship with Jim and Jan Moran began decades ago with Maria Sanjuan, one of HUF's founders. Ever since, our partnership has been exceptional in every way. We would be a very different organization today were it not for their generous and compassionate support", said Josie Bacallao, HUF's President & CEO.

In making the announcement, Jan Moran said, "Sharing his good fortune and creating opportunities for others to reach their greatest potential was always very important to my husband."

The Chair of HUF's Board of Directors, Charles Tatelbaum said, "this is an extraordinary grant and an extraordinary moment for HUF. The grant will allow HUF to expand and deepen its mission and to further build HUF's capacity. Our board members are deeply grateful to Jan Moran and The Jim Moran Foundation. We also recognize that a grant of this magnitude indicates both support for HUF's work, as well as a great deal of trust on the agency's ability to execute their mission."

## **FAQ – Centurion Gift**

## 1. How did you feel when you heard about the gift?

We cried. We were in shock. Eventually we recovered and shared the extraordinary news with our senior leadership and several board members. Very quickly we realized that we needed to set up a special board committee to provide guidance on how to best utilize these funds for the greatest good – and to honor the wishes of the donor – The Jim Moran Foundation.

## 2. How will HUF use the funds?

HUF plans to use this special once-in-a-lifetime gift over the next five years to support HUF's mission.

We will continue to work with the Board's special committee which was specifically created for the purpose of guiding the use of these funds.

HUF has always been rigorous in building in sustainability any time we start or expand a program. We attempt to identify – on the front end – how we will SUSSTAIN the effort beyond the seed funding. To begin anything new takes a big commitment and we do not want to start something we cannot continue.

Sustainability is not easy. So, we plan to move slowly to ensure that whatever we fund can be sustainable for more than a short period of time.

We also need to look at sustainability as an organization. We must ask ourselves, what do we need to sustain the agency as a whole? We will be looking at that as well.

In summation, HUF plans to use this special grant to expand and deepen its mission, continuing its strategic approach to creating and sustaining programming, as well as reserving funding for unforeseen economic challenges or financial match requirements for other grant opportunities.

Above all, we want to honor the spirit of the gift from The Jim Moran Foundation and to live up to the incredible trust they have placed in us to use these dollars to do the greatest good.

## 3. Why was HUF selected?

I often jest that all HUF roads lead back to Maria Sanjuan. And in this case, that could not be more true. Maria reached out to Mr. and Mrs. Moran two decades (22 years) ago and established a strong bond and relationship with them. The Moran's gave HUF its very first challenge grant. And when they created a foundation, HUF was one of the first organizations to receive a grant from the new foundation.

Over the years, we have continued to deepen those ties. TJMF is exceptional in every way. Over more than 17 years, they have provided seed funds and sustaining funds for almost all of our major initiatives. We would be a very different organization today were it not for their generous and compassionate support.

## 4. Will the HUF staff receive raises?

As we have shared, the gift will be used for very specific purposes. That said, we will continue to look at compensation and benefits for our team members. And do as much as we can based on the funding we have for our programs.

## 5. When did you know about the gift?

Melanie Burgess, the Director of TJMF reached out to us in July. This is indicative of how thoughtfully and deliberately they make decisions. The early warning has allowed us several months to meet, clarify, discuss and plan for this special gift.

## 6. Who did the HUF leadership team work with to determine how the funds would be used?

HUF is fortunate to have a great board of directors – including exceptional board member emeriti. We of course, shared the news with our Board Chair, **Charles Tatelbaum.** 

We agreed to assemble a group of current and past board members with fundraising, financial and program expertise.

The group included: Past-Chair, **Willy Gomez**, HUF Treasurer, **Emma Pfister**, Finance Committee Co-Chair and Board Member Emeritus, **Arnold Nazur**, Program Committee Chair and Board Member, **Steve Sampier** and Board Member, **John Guerrero**. And were delighted when HUF Founder, **Maria**  **Sanjuan** also agreed to join the committee. Our COO-CFO, **Virginia Cielo** and SVP, **Felipe Pinzon** have been integral to all the discussions and planning.

At one point, we also involved our audit firm. We wanted to look at this gift from all angles.

When extraordinary opportunities like these – once in a life-time opportunities – come your way, you want to involve people who care about HUF's mission have specific expertise and know the organization. And we are fortunate to have a deep bench of great experts and equally committed current and past board members on the team to help us plan.

## HISPANIC UNITY OF FLORIDA BOARD OF DIRECTORS Policy B325

Draft – 10.2.18

## POLICY STATEMENT

POLICY:

**Reserves Policy** 

ISSUING DEPARTMENT: Board of Directors

### POLICY

The purpose of this Reserves Policy for Hispanic Unity of Florida, Inc., a not for profit corporation, (the "Organization") is to document and describe the creation of three Reserve "Funds" and to set policy as to how they are to be managed and administered. The Organization will create three reserve funds: 1) The Jim Moran Foundation Opportunity Fund, 2) The Jim Moran Foundation (TJMF) Capacity Building & Program Development Reserve Fund, and 3) The Building and Capital Asset Reserve Fund.

The proper management and administration of these funds will help to ensure the stability of the mission, programs, employment, and ongoing operations of the Organization and provide a source of internal funds for organizational necessities and priorities.

The Reserves Policy will be implemented in concert with the other governance and financial policies of the Organization and is intended to support the goals and strategies contained in these related policies and in strategic and operational plans.

## **DEFINITIONS AND GOALS**

The Jim Moran Foundation Opportunity Fund (the "Opportunity Fund")

The Jim Moran Foundation Opportunity Fund (initial seed funding of \$500,000) is to provide HUF with reserves that will strengthen its financial resiliency, provide emergency funding for an unexpected crisis as well as, bandwidth to take advantage of maximizing matching grant opportunities. This Opportunity Fund is a key component of the Organization's strategic goal of providing long-term support for its mission and strengthening its financial position.

The assets of this Fund will remain in an unrestricted and liquid reserve account in either an insured savings account or a prudently safe investment which can be liquidated within a reasonable time frame. The Opportunity Fund is not intended to replace a permanent loss of funds or to be used in order to eliminate either a current or an ongoing budget gap.

The assets of this Fund will be used for two specific purposes:

- 1. To match funding opportunities when a match is required, or
- 2. To fund an unexpected crisis.

The Organization's staff and volunteer leadership will grow the Opportunity Fund over a period of time with the long-term goal to equal three months of the Organization's average recurring operating costs. The calculation of average recurring operating costs:

- 1) Includes all recurring, predictable expenses such as salaries and benefits, occupancy, office, travel, program, and ongoing professional services; and
- 2) Excludes depreciation, in-kind, other non-cash expenses, and/or one-time or unusual capital purchases.

In addition to calculating the actual Opportunity Fund at the fiscal year-end, the Opportunity Fund's targeted minimum will be calculated each year after approval of the annual budget or every January. The assets of the Opportunity Fund will be reported to the Finance Committee and Board of Directors, and included in the monthly financial reports.

The Opportunity Fund will be funded with surplus unrestricted funds and available in cash or cash equivalents, and maintained in a segregated bank account or investment fund, in accordance with investment policies.

The Organization may use this reserve as a 1) campaign match or 2) the ability to pursue grants in which a financial match is required to support the Organization's goals and strategies contained in the strategic and operational plans.

When the use of the assets in the Opportunity Fund is required, the President/CEO will submit a request to use the Opportunity Fund to the Finance Committee of the Organization. The request will include the analysis and determination of the use of funds and plans for replenishment. The Organization's goal is to replenish the assets of the Opportunity Fund used within 36 months to restore the Opportunity Fund to the targeted minimum amount. The Finance Committee can modify the request to transfer from this Opportunity Fund, if applicable, and will then recommend the request to the Board of Directors. An approval of the use of the assets of the Opportunity Fund must be authorized by a resolution of the Organization's Board of Directors.

Once approved by the Organization's Board of Directors, and as courtesy to one of HUF's longest and most supportive funding partners, HUF's President/CEO will notify The Jim Moran Foundation and share with them the actions the Organization plans to take. (The foundation provided the seed funding to HUF's Opportunity Fund.)

There is no timeframe associated with this reserve.

#### TJMF\* Capacity Building & Program Development Reserve Fund (the "Reserve Fund")

The Organization's Reserve Fund will be funded with \$500,000. \$375,000 is intended to provide funds to meet special targets of opportunity or need that further the mission of the Organization. The latter may not have increased the organization's revenue. \$125,000 of the Reserve Fund will be used for organizational capacity building such as staff development, research and development, or investment in infrastructure that will build long-term capacity. This policy is intended to support the Organization's goals and strategies contained in the strategic and operational plans.

Funds will remain in an unrestricted and prudently safe liquid reserve account either an insured savings account or a safe investment which can be liquidated within a reasonable time frame. The Reserve Fund may be funded by the Organization with additional surplus unrestricted funds and available in cash or cash equivalents, maintained in a segregated bank account or investment fund, in accordance with investment policies.

The target amount of the Reserve Fund will be determined by the President/CEO with the approval of the Finance Committee as well as the Board of Directors. When the use of funds is required, the President/CEO will submit a request to use the Reserve Fund to the Finance Committee of the Organization for approval. The Finance Committee can modify the request to transfer from the Reserve Fund, if applicable, and will then recommend the request to the Board of Directors. An approval of the use of funds must be authorized by a resolution of the Board of Directors. The Reserve Fund will be reported to the Finance Committee and Board of Directors and included in the monthly financial reports. These funds will be utilized by 2023.

The assets of the Reserve Fund will be reported to the Finance Committee and Board of Directors, and included in the monthly financial reports.

\*The Jim Moran Foundation

#### The Building and Capital Asset Reserve (the "Asset Reserve")

The Asset Reserve is intended to provide a ready source of funds for repair or acquisition of buildings, leaseholds, furniture, fixtures, and equipment necessary for the effective operation of the Organization and programs.

The target amount of the Asset Reserve will be determined by the President/CEO with the approval of the Finance Committee as well as the Board of Directors. The Asset Reserve will be reported to the Finance Committee and the Board of Directors and included in the monthly financial reports.

Concentration on IT and Marketing are needed as well as accountants/CPA's. Hector asked if anyone has any potential nominations. Hector reviewed the process:

Josie shared that a draft post (or email) was created which Board Members can use on their Facebook, LinkedIn or email to their network to recruit prospective candidates. The self-nomination process will require responding to a number of questions which in turn provide pre-screening of all except the most interested of individuals.

Marketing Committee Chair, Lucia Rodriguez and Mari Naranjo.

Brand Feedback and Messaging Refresh Presentation. Lucia reviewed the history and brand messaging agreed by the board of directors last year.

A discussion ensued on ways to engage audiences in discussing HUF, the use of HUF vs Hispanic Unity of Florida and strategies on how to pre-empt perceptions that HUF serves exclusively Hispanics.

The elevator pitch has been refreshed (and was distributed at the meeting) and Lucia encouraged all board members to use the pitch – and the name - as appropriate for their audience.

#### **Board Committee Updates**

Virginia Cielo shared that we are exceeding revenue and our bottom line. Up \$66k and we were projected to be \$115K – down for the year – which is a \$181K positive swing. An incredible accomplishment! HUF should reach its target of \$55k + at the end of the year. Bank of America extended our line of credit to June 2019.

She has been in discussions with various financial institutions. The finance committee – along with Willy Gomez - have been involved. A recommendation by the committee will be discussed at the October meeting.

#### **Updates from the Board Committees**

- <u>Governance</u>: Steve Sampier. Wanted to highlight a great strategy. Visit/spend time with a HUF program. He knows it has helped tremendously as they gain a greater understanding of HUF as an agency. Our strategic plan has been updated, we need to continue to diversify the board. More females, geography and different cultures. We currently do not have an onboarding process for either Board Officers or Committee Chairs. He believes the governance committee can assist. Board succession planning and job descriptions (bylaws) are also areas that need to be addressed by the committee.
- <u>Marketing</u>: Lucia Rodriguez. The committee is being reshaped and next meeting will be in November. Long term
  members have recently left due to life changes. We are currently recruiting new members that have the skills we
  currently need. Public relations, publicity, support the expansion, digital and social media. CRM development for
  2019. We continue to expand on the marketing and communication plan to stay focused on our goals.
- <u>Public Policy & Advocacy:</u> Dan Schevis and Dr. Rolando Garcia. Dan shared that Josie is working on bringing on fellows working through the FIU public policy department. Interviewing will begin this fall. We plan to secure social service program fellows in 2019 which the school would pay for them to work with us. In regards to legislation, anytime in the next 60 days prior to an election politicians will be very responsive. Public policy plan is currently being worked on and will be rolled out in November. A soon to be released policy referred to as the "Public Charge" policy is a developing advocacy issue. Dan shared his experience in attending a Citizenship class gave praise to the staff and the significance it gave to his role on the board.
- <u>Development.</u> Willy Gomez provided an update regarding recent funding. We have secured \$500K from Citi Foundation for general support/workforce education (2 years). Also have secured over \$500K in funding for disaster relief (2 years). Currently we are waiting to hear back from Florida Blue on a \$300K grant for Te Ayudo/access to health (3 years). And lastly, in regards to fundraising we are (\$32k) from our goal as a board.

#### **Consent Agenda**

Steve Sampier moved to accept the consent agenda and Lucia Rodriguez provided the second. The motion passed unanimously.

#### **Board Member Program Tours**

Defer comments to the next meeting.

#### **Executive Session**

With Josie to discuss senior HUF Senior Executive Pay. With board members only.

#### Adjourned

Meeting ended at 6:00pm.

#### Hispanic Unity of Florida Finance Committee Meeting September 20, 2018

#### Attendance:

1 member present, 2 by telephone, and 5 members excused.

Emma Pfister called the meeting to order at 8:34 am.

Ms. Pfister announced that George Sanchez resigned from the committee due to extensive travel requirements and the inability to attend meetings on a regular basis.

#### HUF July 2018 Financials

Ms. Cielo stated that HUF had an operating gain of \$66K in July, \$176K greater than the YTD loss projected. Temporary and net assets decreased. Revenues for the period are \$3M versus revenues last year \$4.8M. Our primary focus now is to project the 2019 budget rather than forecasting by line item revisions to the 2018 budget. HUF will need to utilize an additional \$25K of the LOC with the total amount used of \$200K. The comparative information to actual is the same as in previous months with the exception of awards noted for the current month.

Mr. Nazur asked for the status on the UW-Disaster Case Management Program. Ms Cielo stated that the July and August invoices are pending for \$50K which we expect to be paid in accordance with the contract terms.

Mr. Pinzon stated:

- The high school contract issue was adjusted with CSC and now contracts will run better next fiscal year which begins October 2018 with approximately \$1K more *per child* nearly double what we are currently being paid. We are waiting for news from USCIS by next week for Citizenship. If this is not awarded, adjustments will be made to the program. (Update: Contract awarded for two years.)
- Target awarded \$100K for the COMPASS program at the Apollo Middle School.
- Memorial Hospital is in process of preparing a contract for \$27K for the Public Benefits area to assist patients for ACA sign up beginning in November for a period of 45 days.
- Florida Blue Foundation's application for a 3 year grant in the amount of \$300K for access to health care is still pending.

#### **UNR Net Assets**

Reconciliation of UNR Net Assets:

- 1 Gain From Program Operations 405,933
- 2 Loss from Support Services (339,940)

Inc(Dec) in UNR Net Assets \$ 65,993 Operating Gain(Loss)

The year to date profit of \$66K is \$176K greater than the projected year to date loss of (\$110K).

1) Development exceeded the net projection by \$94K.

2) Programs exceeded the net projection by \$76K.

3) Admin exceeded the net projection by \$6K.

Program's total contribution to date toward administrative and shared fixed costs to the agency totals \$743K.

The Development area contributed \$251K toward administrative and shared fixed costs to the agency.

Cash

Year to date cash decreased by (\$713K) as a result of the following activities:

\$(400,767)	Inc/(Dec) in Net Assets
(321,700)	Adjustments to reconcile increase (decrease) in net assets
(722,467)	Net cash provided (consumed) by operating activities
(42,289)	Investing Activities
51,392	Financing Activities
\$(713,363)	Inc/(Dec) in Cash

#### MOTION:

Mr. Nazur moved to accept the July 2018 financials. Ms. Pfister seconded the motion. (Final approval for approval of the minutes will take place on a call with the committee the week of October 1<sup>st</sup>.)

#### Banking: BB&T, BOA & Bank United

BOA renewed our line of credit on June 2019. Our new SVP met briefly with Ms. Cielo and Ms. Bacallao.

Bank United could only give a proposal to take over our cash accounts which would result in a decrease of about \$11K to HUF annually of the net of bank charges and interest. Bank United was unable to approve a LOC.

Ms. Cielo stated BB&T has met with her four times and with eight BB&T staff members. SVP, Mr. Lee Kaplan, began their due diligence by first determining whether or not HUF could secure a LOC. He secured a LOC for \$400K at bank prime only with the requirement that the LOC with BOA is closed out. In addition HUF will be required to secure a mortgage on the properties.

After a discussion on the mortgage Ms. Cielo will prepare a more detailed analysis of the options available for the mortgage financing and committee members will be able to review and make a recommendation to the board.

#### Status of New Offices—Gulfstream & YWCA

Ms. Cielo stated that renovations are in process but that we cannot provide a more definitive timeline until Comcast finishes their assessment.

Meeting concluded at 9:55am
