Programs Update. Presented by Andres Connell

Andres shared that all programs are stable. CWF has improved and is in the process of hiring two additional personnel. Citizenship expansion has encountered a few hiccups but is on track to open in Miami-Dade on January 3, 2022. CSC awarded all providers additional dollars to make up a loss in admin fees due to COVID-19 for the 20-21 contracts. HUF's portion was \$69k.

October 2021 Financial Statements. Presented by Chuck McGuire

Chuck McGuire shared we had an operating gain of \$21k. Development and Programs are ahead year of date. Cash is up \$42k. We have paid down our line of credit which is down to \$11k.

Motion

Arnold Nazur motioned to approve the October 2021 financial statement. A second was made by Scott Karlen. Motion passed.

Development Update. Presented by Shani Wilson

Our budget for 2021 is \$6.9M.

At the beginning of the year, we were tasked with raising more than \$1.5M, including \$465k for unrestricted funding and \$1.1M in grant funding. With our 2021 reprojections we will end the year in the black. We have another \$60k left to raise this year.

We are always looking for new funders and waiting for new grant approvals. Currently HUF has \$116M in pending proposals. We have secured \$5.5Min funding for 2022. We have launched our end of year campaign on November 30th (Giving Tuesday) for raising our unrestricted funds.

The Capital "Mission" Campaign goal is to raise \$1M to invest in staff, technology and operational infrastructure.

Cellphone Policy T101. Presented by Josie Bacallao

Josie stated that we have 18 Americorps members now. 11 of those new staffers will be helping our clients. Our Outlook 365 asks for a 2-authentication part security code. They will use their phone to get the "code" but be using laptop issued by HUF and get calls by Nextiva phone system.

Arnold Nazur asked what happens when these laptops get returned to be scanned for viruses? Josie responded explaining that the Americorps users have a special icon to login to and their own server. There are 3 virus scanners, internet restrictions and laptops will be scanned by WHIT when returned.

Motion

Arnold Nazur motioned to approve the cellphone policy T101. A second was made by Scott Karlen. Motion passed.

Budget Timeline. Presented by Virginia Cielo

We are on schedule on all areas. We have a first draft and list of items that need to be resolved by second meeting Friday. At the January meeting this committee will vote on the budget. The Board of Directors will vote on the 2022 budget at February meeting.

Signatory Resolution. Presented by Lisette Rodriguez

Several areas for discussion were noted by Lisette. No checking signing ability with CEO but only for contracts. CEO and board member can together sign for a check over \$10k. There was discussion about giving the grants compliance officer the authorization to sign under \$5k. We have about 170 checks to be signed monthly and we have emergency checks to be signed every so often. The CEO, CFO and COO can sign checks currently. This was brought about because a funder required a resolution regarding "Felipe's signature" to allow Felipe to sign and give Andres Connell authority to sign contracts. Christina Paradowski will evaluate and solve ensuring that the Bylaws are harmonious with the resolution policy.

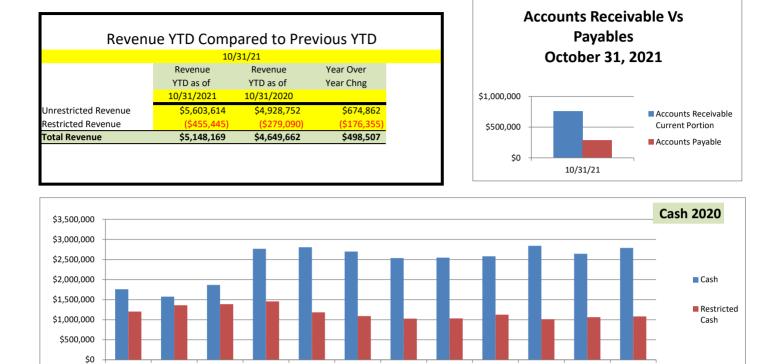

The policy will be evaluated at the next meeting with the updates.

HUF Visit to Tallahassee Update—Presented by Otto Valenzuela

Will be in Tallahassee for Broward Days 2022, January 18th & 19th. It is a "wait and see" approach as there is a lot going on with Federal health cross over etc. Florida may want to block and turn away fed dollars which we may need to advocate against. Josie Bacallao asked if there is anyone in particular HUF staffers should meet with in January, Megan Turetsky shared once the committee's start meeting then there will most likely be a press conference and we would know who to pinpoint a visit with. Megan will share an email with who as soon as she knows. Incoming Speaker Reiner, his big initiative is 2Generational approach. Alejandro Gonzalez shared Chair Burton and Avila have a good relationship with United Way and they are happy to help. Otto Valenzuela is working with Senator Jones office in regards to the Working Floridians Tax Rebate (WFTR) bill. We will continue with our planning to Tallahassee with completed plan in January. Alejandro shared with his recent visit to Tallahassee with United Way there was lots of partner connection discussing KidCare, renters, Veteran issues and mental health. There will be a huge focus on redistricting in the 2022 session. It was asked about Covid precautions, there are not any but it is not frown upon if you wear your mask.

Other Business

First meeting will be last Friday of the month due to Broward Days visit.

Alejandro is a contractor currently with United Way. He begins his new job next month with Miami Dade College. RSA consulting is working with United Way Broward currently until his position is replaced. United Way of Florida has a staffer but RSA is the lobbying firm that will tackle Florida-wide issues. Policy strategy is stronger statewide verses locally but UWay Broward will continue to work on local issues.

Farewell to Josie as it is her last PP&A meeting as she is retiring. Thank you to Josie for leading HUF to do advocacy work and taking on difficult community projects (BC community ID card, Children of Immigrant Families Coalition, etc). Josie thanked the committee and will continue to volunteer with advocacy work and encouraged us all "to get into good trouble".

Adjourn At 9:40am
